NOTE.—This affidavit should be pasted to the Muster-in Roll to which it belongs.

NOTE.—The oath may be administered by the Adjutant of a Regiment, Detachment, or Post, a Judge Advocate or Recorder of a Court Martial, or by a civil Magistrate.

NOTE.—The Mustering Officer will require each candidate for muster into service to exhibit his commission (or appointment) from the Governor of the State to which the Regiment into which he desires to be mustered belongs. No muster will be recognized if made to cover a period in which the officer is borne on the Rolls and Returns of his Regiment as of an inferior grade, or beyond the date of the receipt of his commission (or appointment) from the Governor of the State. If an officer is taken up on a former roll as of any grade, before being mustered into service in that grade, after the promulgation of General Orders, No. 67, of 1864, it is a false muster on the part of the officer making it, and will not be recognized at the Adjutant General's Office or by the Mustering Officer, but will be immediately reported to the Adjutant General.

NOTATION.

Book mark: 9477, L. 1885

Adjutant General's Office,

WAR DEPARTMENT,

Washington, January 1 1888.

He was tried before a general court martial for desertion; specification: In this that he did, on or about Nov. 29, 1862, desert the said service and his company and regiment, while on the march from Winchester, Ky., to Richmond, Ky., and did remain absent without authority, until on or about the 28th day of July 1863, at which time he returned to his command to his company and regiment at Nicholasville, (Ky.)

FE

Copyist.

He was found guilty confirming his plea, and was sentenced to forfeit eight months pay to the U.S. and serve twelve months on base public fortifications, with ball and chain attached to ~~his~~ leg, to be designated by the Genl Commanding Dist. of Ky.

The proceedings, findings and sentence of the Court were approved and promulgated in G.O. No. 5 Hd. Qrs. Dist. of Ky. 1st Div. 23. A.C. dated Jany. 8. 1864. As this man was convicted of desertion by a general court martial, the proceedings, findings, and sentence of which were approved and promulgated by competent authority, the charge of desertion no longer stands against him. The record of the fact that he was absent in desertion from Nov. 24 1862 to July 26, 1863 can not however be expunged

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and *for* disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1230 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, deraugement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on the paper, see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington D. C. They will not, under any circumstances, be given into the hands of the soldier.

PAR. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 83d Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the commander of the regiment. Final statements of pay, clothing, &c., in like manner, will be sent to the Adjutant General with one copy of the inventory. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the requisite inventories and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged a report of the death, stating the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease, which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ——— ———, late of company (—,) ——— regiment of ———, who died at ———, the —— day of ———, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 154. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds lodged with the Paymaster, to the credit of the [illegible] funds, until they shall be claimed by the legal representative of the deceased.

PAR. 155. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council, and commanding officer, accompanied by the [illegible] for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Account of the proceeds of the effects of ——— ———, late of company [illegible] ——— regiment of ———, who died at ———, the —— day of ———, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further application from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In such cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him, one copy thereof to be sent direct to the Adjutant General and one retained by the officer.

Lieut Co "E" Regt of Ky. Infty

VOLUNTEERS.

Died Dec 19 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company that he may at once receive from the Paymaster the pay &c. due him, and the captain or other commanding officer commanding the company will certify to the correctness of the duplicate certificates, on these certificates the Soldier is entitled to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements his descriptive list, if he has one should be taken up by the officer who gives the number these statements and endorsed with a statement as to the fact by the officer. The endorsement should exhibit a full statement of the facts for which the Soldier was allowed pay on his final statements, the clothing account and all other charges against him or in his favor, so as to present a complete extract of his account. It will then be transmitted to the Paymaster commander of the Soldier, who will enter all the data necessary on his muster-roll of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining papers of the Soldier's account may be settled upon the receipt of these duplicate rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on the final statements from the fact that the descriptive list is incomplete. These papers for back pay, &c., are settled by the 2d Auditor of the Treasury.

NOTE 4.—Charges for loss or injury of ordnance stores, clothing and other Government charges, should appear under the heading of Charges and Stoppages.

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on the statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the Muster roll, to accord the discharge, death, desertion, &c., of the owner, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, a descriptive list of such one should be sent with the final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of muster, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the discharging officer.

And in case any of the officers so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

PAR. 134. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the —— day of ——— 186–."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the receivers of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General and a duplicate retained by the officer.

FINAL STATEMENT

OF

Private William Trowman

14th Regt of Ky Infty

VOLUNTEERS.

Co. E,

Dated July 31. 1865.

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the fact of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to the effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete extract of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this Statement.

NOTE 6.—Amounts due the Soldier and [illegible] be entered on the muster rolls, at the discharge, death, desertion, &c., is reported, as well as on the final statements [illegible] be collected from the United States.

NOTE 7.—This blank will be used for [illegible] volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

FINAL STATEMENT

Pr.

OF

Robert Vanderpool

14th Reg't of Kentucky

VOLUNTEERS.

Died July 6 1862

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the fact of the delivery of the duplicate certificates; on these certificates the Soldier is required to endorse his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of one of these duplicate certificates, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to that effect by the officer. The enlistment should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the amount of account, and all other charges against him or in his favor, so as to make up a complete account of his account. It will then be transmitted to the Pay Department of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster out roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining papers of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. Claims for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service his descriptive list, if he has one, should be sent with his dues statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTES.

1. The amount of any extra pay for which the soldier may be mustered, as, *as to Acting Hospital Steward*, as *Saddler*, &c., and which may be *still due* him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the *whole* amount which has been paid him; in that of "BOUNTY DUE," the *state* amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for *use or damage* done to *arms, or other public property*, must be noted, and the *articles*, and *particular damage* to each, specified. When absentees are die, under sentence of a Court Martial, *a transcript of the sentence* must be entered here, and the amount *already stopped*, must be carefully stated.
4. The column headed "*Remarks*" is for the *date*, and that of *delivery or apprehension*, must be given; together with a reference to any *special circumstance* of enlistment, *pardon*, *desertion*, &c.
5. A correct account of the soldier's CLOTHING ACCOUNT must be made, to date, and be signed, received, or their Arm must be produced and d
6. Should the man have been engaged in any action or skirmish it must be mentioned, together with the *date* and *place*. A *full and particular mention* of wounds received in battle, or by accident in the line of duty, will be considered any wounds he may have received in action, or other injury, whilst in the *line of his duty*.

[A. G. O. No. 93.]

7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on the list, and give to the time he has pay due for having been so mounted on his own horse.
8. When a soldier is furnished with final statements, his descriptive list if he has one, should be taken up by the officer who gives the soldier these statements and enclosed, with a statement to this effect by the officer. This enforcement should exhibit a full statement of the time for which the soldier was allowed pay on the final statements, the clothing account, and all other charges against him or in his favor, so as to constitute a complete settlement of the account. It will then be transmitted to the paymaster commander of the corps, who will make all the data necessary to a full understanding of the soldier's account on the rounder and upon which the soldier's discharge is required. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these master Rolls, and the soldier receive any pay or allowance that may be due him at the time of his discharge, and which does not appear on his final statements from the fact that he was present at muster.
9. Where a soldier dies in hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Auditor's tionment, Washington, D. C.
10. Men drafted will be entered as musters, in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Period for Duty and Pounted of Commencement of Final Payment by Time," will be written the word *drafted* or *substitute*, as the case may be, and under the heading "When Mustered In" will be given the date when the soldier was drafted, or, if a substitute, when mustered, preceding the word Enrollment Act, are inserted in the appropriate column. When Mustered In, will be given the date when drafted, or if a substitute, when mustered; under the heading "By whom Mustered In," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, viz: 6th D. Mass.; commanding the Government Drafted, State of Mass. (Initials). Or if a substitute the name of the officer mustering him in will be entered by Band or Recruit and the name of the Person Mustered of the Government Drafted)
11. A separate descriptive list should be given in favor of each man.
12. Descriptive lists must, in all cases, be signed by the MUSTERING officer, not by enlisted men acting as such.

FINAL STATEMENT

OF

Emanuel Ward Co. "B"

14th Reg't of Ky. Mounted

VOLUNTEERS.

Dated Jan. 20 1865

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the [illegible] must be entered on the muster roll on which the discharge [illegible] as requested, as well as on the final statement, that the amount cannot be collected from the United States. AND ◆ PRACTICE BY

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others. A.G.S.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTES.

1. The amount of any *extra* pay for which the soldier may be mustered, as for *acting Hospital Steward*, *Clerk to Surgeon*, &c., and which may be still due, must be noted fully in full.

2. In the column headed "BOUNTY PAID" must be entered the endorsement (if any) made upon the "Bounty Roll," the words "one year" or "two years" being inserted as the case may be. Bounty paid by State authorities, and not by the United States, will not be entered in this column.

3. Stoppages for loss or damage done to arms or other public property, must be recorded, and the amount, and paymaster's receipt for such stoppage, produced. Voluntary stoppages are due, under the advice of a Court Martial, a transcript of the entry must be entered here; and the amount *already stopped*, must be carefully stated.

4. In every case of desertion, the *date* and place of delivery or apprehension must be given, together with the actual time lost on the muster-rolls, from which the deduction is made.

5. A receipt, in favor of the *proper Claimant*, for the amount may be made, to date, and the amount paid to, or given him must be promptly entered.

6. Should the soldier have been wounded in any action or skirmish, it must be so stated, together with date and place. A *full and particular* account should be made out of any wounds he may have received in action, or other injury, whilst in the *line of his duty*.

[A. G. O. No. 93.]

7. If the soldier is entitled to pay for the use of his horse, the company commander will enter on the list on the left side to the time he has pay due for keeping horse as mentioned in the foregoing.

8. When a soldier is discharged with true statements in descriptive list, if he has any claims, he is to be taken up by the officer who gives him his discharge, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a true statement of the sums for which the soldier was assessed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to complete a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster-roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the soldier's account may be settled upon the receipt of these muster-rolls, and the soldier receive any pay or allowance that may be due him at the time of his discharge, and which cannot be ascertained on the final statements from the final descriptive list, endorsements. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

10. Men drafted will be mustered as mustered in from the date of their draft, and will be accounted for pay on the usual rolls for transportation. On the muster-roll as the soldier's name, under the heading "Joined for Duty and Transferred," the words "Drafted" will be written; and under the heading "When Mustered In" will be given the date when the soldier was drafted; under "Where Mustered In" will be given the place from which drafted, under the heading "By whom Mustered In" will be given the No. of the Enrolment District from which he was drafted, and the State to which it belongs. Thus, for *D. Mass.*, (meaning 4th Enrolment District, State of Massachusetts).

11. A separate descriptive list should, as a general rule, be given for each man.

12. Descriptive lists must in all cases be signed by COMMISSIONED officers, not by enlisted men acting as such.

I CERTIFY *that the above is a correct transcript from the Records of* Army Headquarters Books

Note 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty: and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, *or* affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

Note 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, or, that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army at Washington D. C., when they shall receive any circumstances, be given by the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge: and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment, commander, who will, if the discharge is authorized by the competent of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

And no other of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to the representatives for the same, have occasion to receive the effects or any part thereof, or otherwise, they shall, before they be permitted to leave the same depositon the hands of the commanding officer, or of the regimental agent, all the effects of such deceased non-commissioned officers or soldiers, in order that the same may be secured for, and paid to their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 152. Inventories of the effects of deceased non-commissioned officers and soldiers required by the 95th Article of War, will be transmitted to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. These statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to forward the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged a report of the circumstances attending the death, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease. Such report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—." If a general representative receive the effects, it will be stated in the report. If the deceased leave no effects, the fact will be reported.

PAR. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after the decease, they shall be disposed of by a Council of Administration, under the direction of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 154. In all such cases by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the president and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these regulations are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all such cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him, one copy should be sent direct to the Adjutant General and one retained by the officer.

FINAL STATEMENT

OF

P. R. Williamson

14th Reg't of Kentucky Infty

VOLUNTEERS.

Co. [illegible] Ky. Vols.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury [illegible] Equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by [illegible] by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and [illegible] must be entered on the muster roll on which the discharge, [illegible] description, &c., is reported, as well as on the final statement, otherwise the amounts cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with the final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ½, ¼, &c., &c.; to describe particularly the disability, wound, or disease the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given to the hands of the soldier.

Camp Calhoun May 3rd 1862

Col John C. Cochran Commanding 14th Regt Ky Vol USA

Sir Owing to continued indispositions and even to the loss of a finger recently I herewith tender my resignation to take effect immediately if possible if not at the expiration of thirty days from this date as Captain of Co (B) 14th Regt Ky Vol USA

I assure you that it is not in accordance with my own wishes that I take this step but with a full knowledge of my inability to serve my country and I do not wish to accept a position that I am compelled from necessity to neglect with any but wishes for the success of our cause and the safety of the brave men under your command I remain Sir most respectfully

Capt W A. Woods Co B

I have carefully examined this officer and find that he has Chronic pulmonary disease and that he has been suffering from it for several months And that in consequence thereof he is in my opinion unfit for duty & further that in my belief the continuing longer in the service will endanger his life

Capt Woods Resigns

I would recommend that the within

Camp Advance May 11 1862
To Cunningham A.A.G. Sir

I herewith return the recommendation of Dr Wales as Surgeon of this Regt to take effect May 1st 1862 and give it as my opinion that it is greatly to the interest of the service that said recommendation should be accepted. I do not deem him sufficiently qualified to fill the position usually. He has never graduated at any Medical School consequently could not be granted an examination before the Medical Examiners. The short time he was with the Regt before he was taken sick I found him totally deficient in any particular.

I remain Sir most respectfully
Your obedient Servt

I forward under flag of truce
acceptance of the resignation of Surgeon J. S. Yates of this Regt
and request that You will return the same to Col Lee
A.A.G. at Sutville in order that the date of discharge
may be changed. for the following reasons. viz
Dr Yates left the Regt in the month of January last
and after being about three times assigned to
duty effective the 1st of Feby. whereupon Dr A.C. Miller
was appointed and commissioned by the Governor of Ky
being date of Feby 1st 1862 to agree with the
date of Yates resignation. Dr Miller has been
with the Regt since that time and has performed
all the duties of Surgeon. whilst Yates has never
been with the Regt since he left in January.
Dr Miller has also been paid by the Government
as Surgeon from the 1st of Feby. I do not
therefore think it fair for the Government to allow
Dr Yates pay from the 1st of Feby to the 5th June
when he has been of no service to the Army.

I remain Sir most
respectfully
